In accordance with Applicants' duty of disclosure, the following information is submitted for consideration by the United States Patent and Trademark Office in connection with the above-captioned application. The information is identified on the attached PTO 1449 form. Applicants do not waive any right to take appropriate action to establish patentability over the listed documents should they be applied as references against the claims of the present application. It is respectfully requested that the Examiner fully consider each of the documents, initial the enclosed Form PTO-1449 in the appropriate place to indicate that the document has been considered, and return a copy of the initialed form to the undersigned in accordance with MPEP Section 609. The undersigned certifies under 37 CFR 1.97(e)(2) that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, no item of information contained in the information disclosure statement was known to any individual designated in 37 CFR 1.56(c) more than three months prior to the filing of the information disclosure statement. The references contained in this information disclosure statement were cited by the Examiner in a related application. Applicants believe that no fee is necessary pursuant to 37 CFR 1.97(b). However, if a fee is due, the Office is authorized to charge Deposit Account No. 19-0733.

Remarks

Note: Remarks are not for responding to an office action.

In accordance with Applicants' duty of disclosure, the following information is submitted for consideration by the United States Patent and Trademark Office in connection with the above-captioned application. The information is identified on the attached PTO 1449 form. Applicants do not waive any right to take appropriate action to establish patentability over the listed document should it be applied as a reference against the claims of the present application. It is respectfully requested that the Examiner fully consider the document, initial the enclosed Form PTO-1449 in the appropriate place to indicate that the document has been considered, and return a copy of the initialed form to the undersigned in accordance with MPEP Section 609. The undersigned certifies under 37 CFR 1.97(e)(2) that no item of information contained in this information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned after making reasonable inquiry, no item of information contained in this information disclosure statement was known to any individual designated in 1.56(c) more than three months prior to the filing of this information disclosure statement. The references contained in this information disclosure statement were cited by the Examiner in a related application. Accordingly, a single fee of \$180 is believed to be due pursuant to 37 CFR 1.97(d) and 1.17(p) for consideration of this reference. The Office is authorized to charge Deposit Account No. 19-0733 for this fee. If there are any discrepancies regarding this fee, please charge or credit Deposit Account No. 19-0733.
